## Chairperson's Message

---

Welcome to the Board of Open schooling and Skill Education, Sikkim (BOSSE), which was established under Act No. 14 of 2020 of the Sikkim Legislative Assembly. BOSSE is first of its kind in the country in the PPP (Public-Private Partnership) mode. BOSSE has been empowered to enhance access to school education, especially for out of school children and drop outs, contributing towards "Quality Education for all".

Congratulations for contemplating on taking admission to this Board that provides optimum flexibility to ease your studies. Here, you have the advantage of being able to study at your own place, at your own pace and at your own convenience. You can avail 9 chances in 5 years to pass in 5 subjects and qualify for the certificate. However, we would wish you to earn the certificate in the first attempt only. Still, if you are not able to do so, don't be disheartened. Try again, try again and you will succeed!

I'm delighted to place this prospectus in your hands. The academic standards of BOSSE are at par with any other School Education Board -National or State level. The curricula of all subjects are in accordance with the recommendations/goals of NEP (National Education Policy) 2020. Our Academic Advisory Committee and the Syllabus Committees comprise experienced and accomplished professionals in the field of education. The self-learning materials presented in the form of books as well as uploaded on the website have been meticulously prepared by a team of seasoned educationists/educators from Universities, Colleges, Schools and other institutions.

So, dear learner, embrace the "Joy of Self Learning". Self-learning is the most effective and powerful mode of learning, as you yourself are in control of learning. Of course, we are there for handholding, for guidance, for providing learning support in different ways.

I'm sanguine that our efforts will enable you to develop into a worthy human being and citizen who makes sensible choices, cast a positive impact on society and contribute immensely towards the progress of the nation, even humanity as a whole.

Spread your wings and touch the sky! Live a meaningful purposeful life, with dignity and high morality! Serve your beloved nation selflessly! Work for the betterment of society and humanity at large!

Wishing you all the best for your future life and career!

Dr. Kuldeep Agarwal  
Chairperson
