**Sub: Intimation Regarding JEE (Advanced) 2025 Examination Schedule**

Dear Sir/Madam:

Like every year, on behalf of Ministry of Education (MoE), Government of India, the seven zonal Indian Institutes of Technology (IITs) will conduct the Joint Entrance Examination, JEE (Advanced) 2025 in several cities and towns across India.

JEE (Advanced) 2025 will be held on **Sunday, May 18, 2025**.

The examination will be conducted in about 300 cities and towns across India.

Nearly 2,50,000 (two lakh and fifty thousand) students of Class 12 standard will appear for this highly competitive national level examination. All the IIT aspirants work hard for two or more years to succeed in this prestigious examination for admission to B.Tech/B.S./ Dual Degree courses in all IITs. You may kindly plan the dates of examination under your control accordingly and not schedule any examination on May 18, 2025 so as to avoid date clash with the JEE (Advanced) 2025 examination, in the best interest of students.

Your cooperation in this matter is highly appreciated.

Thanking you and with best regards,

  
(Amit Mitra)
